**Logline:** It's the SCARY MOVIE for STAR WARS. "You've got to go to the Source."  
The son of a political prisoner has three days to save his father's life and prevent World War IV.

**Synopsis:**

**ACT I**

*"It is written that the first born son of a Ghetto King shall inherit source. And he shall walk among us, robed as a servant, with a satchel at his side. And when the time is come, the fire of The Word shall ignite and dispel the darkness."*

When MELLOW DEE, a disgruntled postal worker, gets a message from an escaped convict, he must seek out an old Laserball player and Ghetto Knight. In a world where the church has merged with the state, Mellow Dee is young and strong willed, but two shakes short of the real picture.

Mellow Dee finds the old Ghetto Knight. He reveals to Mellow Dee that Mellow Dee is "the Prophesied One." He also reveals that the recently imprisoned leader of the Ghetto Knights is the father Mellow Dee never had. Mellow Dee's father was framed for First Saint elections fraud. It is Mellow Dee's destiny to "ignite fire of The Word and dispel the darkness." By way of sixty ounce "Ghetto Malts" and chittlin' cleaning--"shit on, shit off"--Mellow Dee's new mentor teaches him the ways of the Ghetto Knights and how to go to "the source."

Mellow Dee utilizes "the Ghetto Mind Fuck" to sneak Mellow Dee and his mentor into the Western Alliance Prison to see Mellow Dee's father. Because of Proposition Triple Six, all those convicted of crimes against the church must be disintegrated within three days of conviction. Mellow Dee's father tells Mellow Dee and his mentor that data from the Western Alliance Satellite Crystals can prove his innocence. He also tells that THE OVERLORD plans to assassinate the Church Council after The Overlord's Reordination Ceremony. The Overlord is the dictatorial First Saint of the Western Alliance as well as the military's reigning Laserball Champion.

## **ACT II**

Mellow Dee and his mentor enlist the aid of his mentor's feisty young daughter HARMONY--The Notorious Crackajack Hacker--to break into Western Alliance Command Central and copy the Satellite Crystals.

Mellow Dee and company go to see his grandmother at her Booty Shake Bar and Grill. They ask her to arrange a meeting with her Pastor--a young gansta' holovision evangelist. They want him to warn the Church Council about The Overlord's assassination plot. Mellow Dee and Harmony bond while his mentor and grandmother do the nasty.

Mellow Dee and company attempt to break into Command Central. Mellow Dee and Harmony are confronted by an "around-the-way-girl" security hologram. Mellow Dee's mentor becomes engaged in a battle of one-on-one Laserball with The Overlord.

Mellow Dee and Harmony are able to copy the Satellite Crystals, but become engrossed in a fire fight with Word Enforcers. Mellow Dee and Harmony narrowly escape only to see Mellow Dee's mentor (Harmony's father) killed by The Overlord. As the Word Enforcers close in, it looks like Mellow Dee and Harmony are finished. Mellow Dee's grandmother intervenes allowing Mellow Dee and Harmony to escape.

## **ACT III**

Mellow Dee and Harmony, disguised as Klansmen, meet with his grandmother's Pastor at a White Supremacist Gay Masquerade Ball. While Mellow Dee and the Pastor Salsa together, the Pastor, in protest and despise for The Overlord, pledges his assistance to Mellow Dee.

Mellow Dee and Harmony sneak into the Western Alliance Revival under the names of Mr. and Mrs. Prophet X. The Pastor double crosses Mellow Dee and Harmony. He imprisons them in a Rededication Chamber. Via the aid of a beanpie and "the source", Mellow Dee and Harmony manage to escape and broadcast the copy of the Satellite Crystals to the Western Alliance on live holovision. Mellow Dee's father is spared. The Overlord is on the run.

Mellow Dee chases The Overlord into the Laserball Arena. Mellow Dee and The Overlord battle it out in a game of one-on-one Laserball to the death. The Overlord, who reveals his true identity as MASTER DENNIS RODMAN(or any basketball great), exhibits his legendary talents. It looks like Mellow Dee has lost. Via a sixty ounce of

"Ghetto Malt" and the "chittlin arms" Ghetto Knight Laserball technique, Mellow Dee is able to disintegrate Dennis (The Overlord).

Mellow Dee's father becomes First Saint of the Western Alliance. Mellow Dee becomes the new leader of the Ghetto Knights with Harmony at his side.
